RE: ACCEPTANCE OF TEST REPORT

We refer to your email enquiry dated on 16 Oct 12.

The attached report, report no. **MA3499/W**, re-issued by Intertek Testing and Certification Ltd on 7 October 2008 to Voelkel Industrie Produkte GmbH for testing of **Quick Spray Polyurea Hotspray System** based on BS 6920:2000, is acceptable to SAC as it is an endorsed report from UKAS accredited laboratory. Intertek Testing and Certification Ltd is accredited for performing tests based on BS 6920:2000.

UKAS (United Kingdom Accreditation Service) is one of SAC (Singapore Accreditation Council) mutual recognition arrangement (MRA) partners.

Please contact me should you need further assistance. You may wish to refer to our website at <http://www.sac-accreditation.gov.sg/international.asp> for information on SAC and its MRAs.

Yours sincerely,

Ms Lee Ham Eng
Senior Manager
